THE RELIABLE LIFE INSURANCE SOCIETY

Notice to Members

It has become apparent in recent years that any growth in the membership of your Society is unlikely in the circumstances of today, which differ so greatly from those existing in 1887, the year of our founding, when Fraternal Societies fulfilled many functions other than that of providing insurance.

This does not mean that the financial position of the Society is not strong. It emphatically is. However, for any organization to prosper it must grow, and lack of capital for expansion purposes has made development impossible for some years.

The members of the Grand Executive Committee have given careful consideration to the course of action that should be followed in the best interests of all members of the Society. A plan has been evolved which is sponsored unanimously by your Grand Executive Committee. In essence the plan provides:

1. A new Life Insurance Company will be incorporated under the laws of Ontario under the name "Reliable Life Insurance Company". Certain members of the Society are underwriting this new Company and investing $500,000.00 of their own money to ensure its success.

2. The insurance liabilities of the Society will be taken over by the new Company under an Agreement for reinsurance and all of the Society's insurance obligations will be honoured in full.

3. As of January 1, 1964, there will be added to the face value of each Life Policy of the Society then in force a paid-up addition to the sum insured.

4. It is expected that a further addition to the sum insured will be credited by way of special dividend to each Policy in force at the time of the discontinuance of The Society Fund. In the meantime it is planned to continue the present scale of dividends. In this connection you are referred to the attached copy of a report prepared by an independent actuary approved by the Superintendent of Insurance of Ontario.

5. All of these proposals have been approved by the Superintendent of Insurance of Ontario under whose supervision they will be carried out. Before they can become effective, they require the approval of the Lieutenant Governor in Council.

6. It is confidently expected that the additional subscribed capital will enable the new Company to expand at a reasonable rate, and will provide further assurance to the members of the Society.

The Agreement with the new Company is to be submitted to a Special Meeting of the Grand Council of the Society to be held at The Constellation Hotel, 900 Dixon Road, in The Municipality of Metropolitan Toronto, on Saturday, the 7th day of December, 1963, at the hour of 11.00 o'clock in the forenoon. You will be advised in due course of the results of the Special Meeting.

Upon approval of the proposed Agreement by the Grand Council, application will be made to the Lieutenant Governor in Council for approval thereof.

Should you wish any further information, please feel free to communicate with me at the offices of the Society, where a copy of the proposed Agreement is available for inspection.

C. H. FITCH,
Grand Recorder-Treasurer.

Dated this 4th day of November, 1963.
